In general, Code Section 415(c)(3) defines compensation as all of a Participant's wages as defined in Code Section 3401(a) for the purposes of income tax withholding at the source but determined without regard to any rules that limit the remuneration included in wages based on the nature or location of the employment or the services performed (such as the exception for agricultural labor in Code Section 3401(a)(2)); provided, however, compensation shall also include the amount of any elective deferrals, as defined in Code Section 402(g)(3); any amount contributed or deferred by the Employer at election of the Employee and which is not includible in the gross income of the Employee by reason of Code Section 125, 132(f), or 457; and effective January 1, 2009, differential wage payments as defined in Code Section 3401(h)(2). - (2) Payments to Reservists. Compensation shall include payments to a Participant who does not currently perform services for an Employer by reason of qualified military service made in accordance with the Employer's current policy with regard to such qualified military service, to the extent these payments do not exceed the amount the individual would have received if the individual had continued to perform services for the Employer rather than entering qualified military service, in accordance with regulation section 1.415(c)-2(e)(4).
- (3) Back Pay. Compensation shall include payments of back pay within the meaning of regulation section 1.415(c)-2(g)(8).

- (1) Foreign Compensation. Compensation shall not include amounts paid as compensation to a nonresident alien, as defined in Code Section 7701(b)(1)(B), who is not a Participant, to the extent the compensation is excludable from gross income and is not effectively connected with the conduct of a trade or business within the United States, in accordance with regulation section 1.415(c)-2(g)(5)(ii).
- (2) Scheduled Deferred Compensation Payments. Compensation shall not include payments to a Participant in accordance with a nonqualified unfunded deferred compensation plan, even if such amount would have been paid at the same time if employment had continued, in accordance with regulation section 1.415(c)-2(e)(3)(iii)(B).
- (3) Disability Payments. Compensation shall not include amounts received on account of the Participant's permanent and total disability (as defined in Code Section 22(e)(3) and described in regulation section 1.415(c)-2(g)(4)).

- (4) Cross-Over Year Payments. Compensation shall not include amounts earned during the limitation year but not paid during that limitation year solely because of the timing of pay periods and pay dates if these amounts are paid during the first few weeks of the next limitation year as permitted under regulation section 1.415(c)-2(e)(2).

(Section 4.02(h) amended: 1/1/12, 1/7/13)

Notwithstanding anything contained in this Article or Article III, the annual compensation of each Participant taken into account in determining allocations for any Plan Year shall not exceed \$200,000, as adjusted for cost-of-living increases in accordance with Code Section 401(a)(17)(B). Annual compensation means compensation during the Plan Year or such other consecutive twelve-month period over which compensation is otherwise determined under the Plan (the determination period). The cost-of-living adjustment in effect for a calendar year applies to annual compensation for the determination period that begins with or within such calendar year.

ARTICLE VIII - TERMINATION OF SERVICE

A Participant whose Public Service Terminates at any age for any reason other than Retirement under Article IX and who is no longer employed by the last public employer from which contributions were remitted under this plan shall be paid, on application of the Participant, the amounts described in this Article. At the Participant's election, the Participant may be paid the amount described in Section 8.01, provided that the Participant meets the conditions specified in Section 8.01. In lieu of a payment under this Article, the Participant may leave the amounts on deposit with the System and, on attaining eligibility for a benefit under Article IX, may elect to receive benefits under Article IX.

(Article VIII amended: 1/1/17)

8.01 Accounts. A Participant who elects a distribution under this Section is entitled to a lump-sum distribution of the Participant's Vested Accounts. A Participant who is issued a distribution under this Section shall forfeit all rights to benefits under Article IX. (b) The Participant has not returned to public service during that two-month period, other than public service exempted under Chapter 145. of the Ohio Revised Code.

(c) If the Participant is married and eligible for benefits under Article IX at the time of application for a refund, the Participant shall submit with the application a written statement by the Participant's spouse attesting that the spouse consents to the payment under this Article. Consent shall be valid only if it is signed by the spouse and witnessed by a notary public. The Board may waive the requirement of consent if the spouse is incapacitated or cannot be located, or for any other reason specified by the Board. Consent or waiver is effective only with regard to the spouse who is the subject of the consent or waiver.

(Section 8.01 amended: 7/7/13, 9/1/17)

8.02 Death. In the event of a Participant's death prior to commencement of benefits under Article IX, a Beneficiary designated under Article XI, on application, is entitled to a lump-sum distribution of the Participant's Vested Accounts.

9.01 Eligibility. A Participant who has attained age fifty-five (55), who has left on deposit the amounts described in Article VIII, and whose Public Service Terminates may, on application of the Participant, be paid the sum of the Participant's Vested Accounts under a payment option described in Section 9.02, subject to Article X. Retirement under this Article shall be effective on the date a Participant is issued a distribution under Section 9.02. The effective date of a payment option under Section 9.02 shall be the first of the month following the latest of: (1) the last day for which Earnable Salary was paid; (2) the attainment of minimum age eligibility under this Section; or (3) the date the System receives an application for a payment option under this Section.

(Section 9.01 amended: 1/1/09, 1/7/13, and 7/7/13)

9.02 Payment Options for Accounts.

(a) Subject to Article X, section 145.92 of the Ohio Revised Code, and this Section a Participant may select one of the following payment options: (i) monthly annuity payments; or (ii) monthly annuity payments and a portion of the Vested Account paid as a lump sum. An unmarried Participant who fails to select a payment option under this Section shall be paid in accordance with Section 8.01. The amendment to this Section dated April 1, 2012, applies to all payment options effective on or after April 1, 2012. Unless the Participant is eligible to or required to elect another payment option as described in this Section, a married Participant shall receive a monthly joint and survivor annuity, which shall consist of the actuarial equivalent of the Participant's single life annuity based on the Participant's Vested Accounts in a lesser amount payable for life and one-half of such annuity continuing after death to the Participant's surviving spouse for the life of the spouse.

Notwithstanding any provision of this Section to the contrary, a Participant may not select a monthly annuity payment if the selection would result in a monthly annuity payment of less than fifty dollars. If a Participant's distribution required by Code Section 401(a)(9) and the regulations thereunder would result in a monthly annuity of less than fifty dollars, the Administrator shall calculate and issue the Participant's distribution as a lump sum payment.

(Section 9.02(a) amended: 10/27/06, 4/1/08, 4/1/12, 3/22/19)

(b) A married Participant may elect to receive the Participant's Vested Accounts under a payment option other than a monthly joint and survivor annuity if either of the following are the case: the Participant's spouse consents in writing to the Participant's election of a payment option other than a monthly joint and survivor annuity or the Board waives the requirement that the spouse consent; or a plan of payment providing for payment in a specified portion of a monthly annuity continuing after the Participant's death to a former spouse is required by a court order issued under section 3105.171 or

3105.65 of the Ohio Revised Code or the laws of another state regarding division of marital property prior to the Effective Date of the Participant's Retirement.

If a Participant is required to select a monthly annuity plan of payment providing for payment in a specified portion to a former spouse and the Board has received a copy of the order described in this Section, the Board shall accept the Participant's election of a plan of payment under this Section only if the Participant complies with both of the following: the Participant elects a monthly annuity plan of payment that is in accordance with the order described in this Section; and, if the Participant is married, the Participant elects a monthly annuity plan of payment and designates the Participant's current spouse as a Beneficiary under that plan of payment unless that spouse consents in writing to not being designated a Beneficiary under any payment option or the Board waives the requirement that the current spouse consent.

An application for a benefit under this Article shall include an explanation of all of the following:

- (1) That, if the Participant is married, unless the spouse consents to another payment option or there is a court order dividing marital property issued under section 3105.171 or 3105.65 of the Ohio Revised Code or the laws of another state regarding the division of marital property that provides for payment in a specified amount, the Participant's benefit under this Article will be paid as a monthly joint and survivor annuity, which consists of the actuarial equivalent of the Participant's single-life annuity based on the Participant's Vested Accounts in a lesser amount payable for life and one-half of the benefit continuing after death to the surviving spouse for the life of the spouse;
- (2) A description of the alternative payment options available with the consent of the spouse;
- (3) That the spouse may consent to another payment option and the procedure for giving consent;
- (4) That consent is irrevocable once notice of consent is filed with the Board.

Consent shall be valid only if it is signed, in writing, and witnessed by a notary public. The Board may waive the requirement of consent if the spouse is incapacitated or cannot be located or for any other reason specified by the Board. Consent or waiver is effective only with regard to the spouse who is the subject of the consent or waiver.

(Section 9.02(b) amended: 10/27/06)

(c) If the benefits under this Article, regardless of payment option, due and paid are in a total amount less than the amounts of the Participant's Vested Accounts, then the difference between the total amount of the benefits paid and those amounts shall be paid to the Beneficiary.

(d) The death of a spouse or any designated Beneficiary following commencement of benefits under this Section shall cancel the portion of the monthly annuity plan payment providing continuing lifetime benefits to the deceased spouse or deceased designated Beneficiary. The retired Participant shall receive the actuarial equivalent of the retired Participant's single life annuity, as determined by the Board, based on the number of remaining Beneficiaries, with no change in the amount payable to any remaining Beneficiary. The change shall be effective the month following the date of death.

(Section 9.02(d) amended: 10/27/06, 1/7/13)

(e) On divorce, annulment, or marriage dissolution, a retired Participant receiving benefits under this Article under a monthly annuity plan of payment that provides for continuation of all or part of the benefits after death for the lifetime of the retired Participant's surviving spouse may, with the written consent of the spouse or pursuant to an order of the court with jurisdiction over the termination of the marriage, elect to cancel the portion of the monthly annuity plan of payment providing continuing lifetime benefits to that spouse. The retired Participant shall receive the actuarial equivalent of the retired Participant's single life annuity, as determined by the Board, based on the number of remaining Beneficiaries, with no change in amount payable to any remaining Beneficiary. The election shall be made on an Applicable Form and shall be effective the month following its receipt by the Board.

(Section 9.02(e) amended: 10/27/06)

(f) Following a marriage or remarriage, both of the following apply:

- (1) A retired Participant who is receiving benefits in the form of a monthly single life annuity may elect a new monthly annuity plan of payment under this Article based on the actuarial equivalent of the retired Participant's single life annuity, as determined by the Board.
- (2) A retired Participant who is receiving a benefit under a monthly annuity plan of payment providing for payment to a former spouse pursuant to a court order described in Section 9.02(b) may elect a new plan of payment providing for payment to a former spouse based on the actuarial equivalent of the retired Participant's single life annuity as determined by the Board if the new plan of payment elected does not reduce the payment to the former spouse.

If the marriage or remarriage occurs on or after June 6, 2005, the election must be made not later than one year after the date of the marriage or remarriage.

The new plan of payment shall become effective on the date of receipt by the Board of an Applicable Form, but any change in the amount of the benefit shall commence on the first day of the month following the effective date of the plan of payment.

(Section 9.02(f) amended: 10/27/06)

(g) A retired Participant's receipt of the first distribution under this Article constitutes the Participant's final acceptance of the payment option and may be changed only as provided in this Plan.

ARTICLE X - MINIMUM DISTRIBUTION RULES

10.01 Minimum Distribution Rules for Participants. Notwithstanding any provision of this Plan to the contrary, any distribution under the Plan shall be made in accordance with Code Section 401(a)(9) and the regulations established thereunder, as amended, and shall comply with the following rules:

(a) To the extent required by Code Section 401(a)(9) and the regulations promulgated thereunder, payment of the benefits of a Participant shall begin not later than the "required beginning date." For purposes of this Section, "required beginning date" means April 1 of the calendar year following the later of (i) the calendar year in which the Participant reaches the minimum required distribution age, or (ii) the calendar year in which the Participant retires.

(b) No payment option may be selected by a Participant unless the amounts payable to the Participant are expected to be at least equal to the minimum distribution required under Code Section 401(a)(9).

(c) The amounts payable must satisfy the minimum distribution incidental benefit requirements of Code Section 401(a)(9)(G).

(d) Distributions in the event of a Participant's death are subject to the provisions of Section 10.02 and the minimum distribution rules of Code Section 401(a)(9) and the regulations thereunder.

10.02 Minimum Distribution Rules for Beneficiaries. In the event of a Participant's death, any remaining benefit shall be distributed according to the following, subject to compliance with Code Section 401(a)(9) and regulations thereunder.

(a) If the Participant had begun receiving periodic payments from the Plan that were not annuitized, the balance of the Vested Accounts shall be paid to the Beneficiary at least as rapidly as under the payment option selected by the Participant.

(b) If the Participant had begun receiving payments under an annuity contract, the Beneficiary shall be bound by all restrictions of that contract and the form of payment selected thereunder, and remaining payments, if any, shall be paid to the Beneficiary under the contract.

(c) If the Participant dies before distributions have commenced, a spouse Beneficiary may delay the commencement of benefits until December 31 of the year the Participant would have attained the minimum required distribution age and may elect to receive a lump sum payment as provided under Article VIII.

(d) If the Participant dies before distributions have commenced, a Beneficiary other than a surviving spouse may take a lump sum payment. In the case of a lump sum, payment must be made no later than December 31 of the calendar year containing the fifth anniversary of the Participant's death.

(e) Notwithstanding the foregoing, any payment to an estate shall be made in a lump sum.

10.03 Discontinuance of 2009 Minimum Distributions. Notwithstanding Sections 10.01 and 10.02 of the Plan, a Participant or Beneficiary who would have been required to receive required minimum distributions for 2009 but for the enactment of Code Section 401(a)(9)(H) ("2009 RMDs"), and who would have satisfied that requirement by receiving distributions that are (i) equal to the 2009 RMDs or (ii) one of more payments in a series of substantially equal distributions (that include the 2009 RMDs) made at least annually and expected to last for the life (or life expectancy) of the Participant, the joint lives of the Participant and Participant's designated Beneficiary, or for a period of least ten (10) years ("Extended 2009 RMDs"), will not receive those distributions for 2009 unless the Participant or Beneficiary chooses to receive such distributions. Participants and Beneficiaries described in this section shall be given the opportunity to elect to receive the distributions described in this section.
(Section 10.03 enacted: 1/3/11)

A Participant may file with the Administrator an Applicable Form designating a Beneficiary to receive the benefits payable to the Participant under the Plan in the event of the Participant's death, subject to the provisions of this Article and Section 145.431 of the Ohio Revised Code. The designation applies to all retirement plans in which the Participant has contributions on deposit prior to retirement. A Participant may designate two or more persons as Beneficiaries to be paid the benefits payable under the Plan. Subject to rules adopted by the Board, a Participant who designates two or more persons as Beneficiaries under this Section shall specify the percentage of the lump sum that each Beneficiary is to be paid. If the Participant has not specified the percentages, the lump sum shall be divided equally among the Beneficiaries.

(Section 11.02 amended: 4/6/07, 7/7/13)

11.03 Failure to Designate a Beneficiary.

- (1) Surviving Spouse;
- (2) Children, share and share alike;
- (3) Parents, share and share alike;
- (4) Estate.

If the Beneficiary is deceased or is not located within ninety (90) days, the Beneficiary ceases to qualify and the Beneficiary next in order of precedence shall qualify as a Beneficiary.

(b) If the validity of marriage cannot be established to the satisfaction of the Administrator for purposes of making a distribution, the Administrator may accept a decision rendered by a court having jurisdiction in the state in which the Participant was domiciled at the time of death that the relationship constituted a valid marriage at the time of death, or the "spouse" would have the same status as a widow or widower for purposes of sharing the distribution of the Participant's intestate personal property.

(c) In the event of the death of a Beneficiary, after the Beneficiary has become entitled to receive benefits, the remaining benefits shall be paid to the estate of the Beneficiary.

(d) If the death of a Participant or any individual who would be eligible to receive a benefit under this Plan is caused by one of the following Beneficiaries, no amount otherwise due under this Plan to the Beneficiary shall be paid to the Beneficiary in the absence of a court order to the contrary filed with the Administrator:

- (1) A Beneficiary who is convicted of, pleads guilty to, or is found not guilty by reason of insanity of a violation of or complicity in the violation of sections 2903.01, 2903.02, or 2903.03 of the Ohio Revised Code or an existing or former law of any other state, the United States, or a foreign nation that is substantially equivalent to sections 2903.01, 2903.02, or 2903.03 of the Ohio Revised Code.

Effective January 1, 2010, a non-spouse Beneficiary may elect to make a direct rollover to an inherited individual retirement account or annuity described in Code Section 408(a) or 408(b), or a Roth individual retirement account or annuity described in Code Section 408A that is established on behalf of the Beneficiary. (b) As creating any responsibility or liability of the Employer for the validity or effect of the Plan;

(c) As a contract between the Employer and any Participant or other person;

(d) As being consideration for, or an inducement or condition of, employment of any Participant or other individual, or as affecting or restricting in any manner or to any extent whatsoever, the rights or obligations of the Employer or any Participant or other individual to continue or terminate the employment relationship at any time; or

(e) As giving any Participant the right to be retained in the service of the Employer or to interfere with the right of the Employer to discharge any Participant or other person at any time.

25.05 Erroneous Payments. If a person who is a Participant, former Participant, Beneficiary, Member, former Member, Contributor, former Contributor, retirant, or alternate payee, as defined in this Plan or section 3105.80 of the Ohio Revised Code, is paid any benefit or payment by the Administrator or Service Manager to which the person is not entitled, the benefit shall be repaid to the Administrator or Service Manager by the person. 25.07 Liability. The Administrator shall not incur any liability in acting upon any notice, request, signed letter, telegram or other paper or document, or electronic transmission believed by the Administrator to be genuine or to be executed or sent by an authorized person.
